Dear Esteemed Parents,

Everything that has a beginning surely has an end, in line with this saying, the 19th day of July, 2024, marks the end of 3rd term of the 2023/2024 Academic Session. We give all the glory to our God for granting us great success through it all.

We wish to appreciate and thank all our amiable parents for their cooperation, support, prayers and other tireless roles played in ensuring that we remain on course to achieve the recorded success for the session.

We will never forget to say a big thank you to our indefatigable teaching and non-teaching staff for their immense contributions and commitments throughout the session.

We heartily praise our geniuses, for setting goals and achieving them to the best of their abilities.

PROGRESS REPORT

Third term has been filled with various exciting learning experiences for our learners. We created engaging and challenging learning environment that had helped the learners to develop more critical thinking and creative skills, build confidence and increase their love for learning generally. They have shown remarkable progress in their studies, we commend their efforts in striving for excellence. We wish to seize this opportunity to thank all our parents for making it possible for us to kick-start the use of LCD TABLETS and electronic gadgets in facilitating teaching and learning activities in the school. God bless you all.

In line with our theme for this session, “**ACADEMIC EXCELLENCE THROUGH CREATIVITY**”, our focus was on enhancing development across the three key domains of education i.e Cognitive, Affective and Psycho motor. To achieve this, we implemented a range of engaging activities designed to foster critical thinking, physical engagement, creative expression, impromptu assessments, and leadership skills.

Our school firmly believes in providing a well-rounded education that includes a variety of co-curricular activities. This year, our learners participated in numerous clubs, sports, and cultural

events. Their enthusiasm and participation have been nothing short of inspiring. We are grateful to our dedicated staff and coaches who have made all these achievable.

We want to thank you for your support and commitment in ensuring that we stay afloat financially as an organization. However, after a careful evaluation of our school's financial needs that will help maintain our productivity and educational standard at optimum, we have no choice than to have a slight increment in fees. This decision was made after considering mainly the operational , maintenance, security, and all other essential cost of running Keselash Academy.

We understand that this increment may pose financial challenges to some of our parents, we have therefore decided to make things less burdensome by ensuring that the increment of tuition will take effect from second term of the new Academic Session (2024/2025).

Kindly note that it is mandatory that all school fees is paid on or before Monday, 9th September, 2024.

We seize this opportunity to reassure you of our commitment to provision of high educational standard that Keselash Academy is known for.
